To the Members:

I want to thank all of you who attended our April meeting. We again had a great turn out and a great discussion concerning the handling and adjusting of Mold Claims. My thanks and appreciation go out to Attorney William Stewart of the law firm of Cozen O'Connor for a very informative presentation and taking the time to meet with us and discuss this timely subject.

My term as your President is coming to a close. Two years has your President has been very rewarding and has gone by very quickly. Nominations for office will be accepted at this meeting with a vote taken at the June meeting. If you are interested in running for any of the offices, President, Vice President, Secretary or Treasurer please contact me or Dan Wright our Treasurer.

**This month we invite our members to bring a company non-member guest and as our show of appreciation, the Loss Conference will pay the guests dinner fee.**

This month's speaker is Mr. Robert Horst of the law firm of Nelson Levine deLuca and Horst. Bob will be discussing and providing us with a legal update of recent court decisions affecting 1<sup>st</sup> party property claims and subrogation. This should be of real interest to all the members.

As I announced at our April meeting, in June we will hold our election for officers and for the 1<sup>st</sup> time hold a VENDORS night. This will be an opportunity for our vendors to provide information to our members about there firms and the services which they provide.

I look forward to seeing you all on MAY 20, 2003!!

Patrick J Murphy II RPA, AIC, SCLA  
President
